Unique Church: Our Distinctive Calling in a Conforming World

On Wednesday evenings, beginning April 7, we will study the Uniqueness of our Fellowship, the Church. In the face of so many organizations, groups and associations, what is it that makes belonging to Church different and distinct? More importantly, why is it so vital for us as believers living in a world that is constantly pressing us to conform? Come learn how being the Church provides a place to stand, a community to nurture and a forum for truth that guides our daily interactions. Wednesday nights at 6:00pm.
