Fresh Encounter - Experiencing Lasting Spiritual Renewal

Tonight

We've all talked about it. We all pray for it. We are hungry to see our nation experience a Spiritual Awakening as it emerges from the challenges of this past year. Here is the truth; a nation is renewed when churches are renewed, and churches are renewed when believers are revived. Tonight, we will gather in the sanctuary for evening worship to hear God's call for a Fresh Encounter as our pastor leads this challenging study based on a book by that name, written by Henry Blackaby. Make your plans to be there from the beginning!

Unique Church: Our Distinctive Calling in a Conforming World

April 14

On Wednesday evenings we will study the Uniqueness of our Fellowship, the Church. In the face of so many organizations, groups and associations, what is it that makes belonging to Church different and distinct? More importantly, why is it so vital for us as believers living in a world that is constantly pressing us to conform? Come learn how being the Church provides a place to stand, a community to nurture and a forum for truth that guides our daily interactions. We will meet at 6:00pm in Room G02.
